Start simple with MyPlate

Healthy eating is important at every life stage, with benefits that add up over time, bite by bite. Small changes matter.

DGA Dietary Guidelines for Americans

USDA is an equal opportunity provider, employer, and lender.

Rethink Your Drink . . . choose water!

Did you know sodas and other sugary drinks come with some not-so-sweet health risks? Drinking too much sugar has been linked to type 2 diabetes, heart disease, and tooth decay. Take control of your health and opt for better alternatives, like water or the recipe below:

Mint, Lime, and Cucumber Breeze

Mix 1/2 sliced cucumber, 1 sliced lime, and 5 mint leaves with water in a 2-quart pitcher. Chill for at least 20 minutes and enjoy.

Can I get CalFresh just for myself if I live with my family or with others?

People who live togetherand buy and prepare meals together are grouped as a household. Spouses and most children under age 22 must be in the household.

Is CalFresh cash?

No. CalFresh is accessed through an electronic account similar to an ATM card known as Electronic Benefit Transfer (EBT) accepted at Authorized Retailers..

What do I need to do to apply?

Allyouneed to do to apply is to complete an application with your name, address and signature. If you are homeless, only your name and signature are needed. When you are interviewed, your Case Manager may ask you for the following information:

- **Identification** – Driver's license, an I.D card, health card, or other identification document
- **Social Security Numbers** – Your number and a number for those who live in your household (if they have one)

You might be able togetCalFresh. Talk with a CalFresh worker about this. Even if you can not get it, other family members may be able to get CalFresh. Receiving CalFresh does not count against you if you want to become a citizen.

How many assets can I have?

Currently, the property you own will not affect your eligibility for most CalFresh households, even if you have a house(s), car(s), cash, money in the bank or other financial institutions, personal belongings, or other assets.
